### **Notification of Proposed Street Works – Hackney Road Phase 1 – Weekend Excavation Works**

Dear Resident, Business Owner,

Freedom Group will be undertaking important excavation works on Hackney Road at the junction of Austin Street. The works are required to install new HV infrastructure for a data center development. Data centers are crucial to modern digital infrastructure, enabling businesses to operate efficiently and securely. We have been in discussions with Officers at City of London and the necessary licenses have been applied for and approved.

To safely carry out the excavation it will be necessary for us to undertake works over the weekend. This work is necessary to ensure the project is completed efficiently and with minimal disruption to the weekday traffic flow.

The works are expected to take place on Saturday 21<sup>th</sup> & Sunday 22<sup>th</sup> March.

Works will be undertaken during the following hours:

- Saturday: 1000hrs – 1600hrs
- Sunday: 1000hrs – 1300hrs

Please be assured that every effort will be made to keep disruption to a minimum during these works.

Freedom Group would like to thank you in advance for your patience and cooperation. If you have any further queries, please don't hesitate to call us on Tel: 07779 385 532 or email: [streetworksinfo@freedom-group.co.uk](mailto:streetworksinfo@freedom-group.co.uk)

Kind Regards

Sarah Thompson

External Stakeholder & Streetworks Manager
